inquire lng po sana kung anong system ang gamit ng assessor's office ninyo?
if your using a foxbase or foxpro software then this ORAsystem is applicable to your treasury office.
this system includes: computerized rpt receipt(advance, current or delinquent tax paymant depending on assessor's data), cedula and general receipt.
if interested, just contact me at my email.->geru_ace05@yahoo.com or contact #-09215794405

thanks,
